

WORLD CITIZEN IS HERE TO EMPOWER COMMUNITIES TO EDUCATE FOR A JUST AND PEACEFUL WORLD.

Fall Greetings to World Citizen Friends,

"Team Human"

The year 2020 continues to present its' challenges to us.

However, challenges can also be opportunities

if we choose to see it that way. World Citizen is open to creating

a number of new possibilities this year. We know our work is not

done and we need you with us on this journey of peace. Please

bring as many others with you as you wish. We can never have too many people working for a Just

and Peaceful World.

Presently, we are working on a number of options in order for you to connect virtually with our

Peace Education program. Please keep visiting www.peacesites.org, for updates. It is our plan to

offer our first opportunity in the month of October.

World Citizen will continue to work with all people of all ages and locations to create a better life and

a better world. Please be with us to stay the course. After all, we are all on the same team. A

Harvard psychologist, Steven Pinker calls it "Team Human." He said, "the more we strive to find

commonality and to see one another on the same team, the stronger we will be to snuff out those

circumstances that engage the brain's faculties for cruelty and violence." Be on the "Team Human"

with World Citizen. We need to support one another to promote a Just and Peaceful World. **That is**

what a successful team does.

Peace Will Prevail,

Kathy Millington
