

The Five Peace Actions

SEEK peace within yourself and others

REACH OUT in service

PROTECT the environment

RESPECT diversity

BE a responsible citizen of the world

Ridgeview Elementary School of Bloomington Minnesota became an International Peace Site last week. Principal Carey Seeley and her team put together an amazing Peace Site dedication for their school and committed to practicing peace actions throughout the school year. Her passion for peace led her to find World Citizen Peace online and inquire about our programs. She shared with her staff how they can register and become a Peace Ambassador, role modeling for students how to incorporate World Citizen Peace Actions into the day.

Earlier in the month, Ridgeview was awarded a scholarship to apply to a peace education session titled: Peace-ology. For additional information on any of these programs, please message World Citizen Peace via the website [contact page](#) and we will respond promptly.

Crystal Lake Montessori became a peace site in 1995. Every year, they re-dedicate the school as an International Peace Site as a gentle reminder of embracing World Citizen Peace Actions. This year the students celebrated outdoors with an inspiring musical event.
